

Present2Pass® Structured intensive workshop is back!

Friday 30th August 2019

10am to 4pm

43 St Hellier St Heidelberg Heights 3081

Present2Pass was created in 2007, has kept up with all changes to the RANZCP OSCE and has coached over 250 psychiatry trainees.

Unlike other RANZCP examination preparation courses, we offer mock stations, not past papers, use professional actors and facilitators and offer small group interactive teaching environments (maximum 4 participants).

We specialise in assisting SIMG's and can tailor feedback according to level of skill and expertise.

During the day we will role play 3 stations in depth under RANZCP exam conditions, offer individual feedback, presentation coaching and anxiety management. Catering and material provided.

Course fee is \$1000 +GST.

RSVP by Monday 26th August 2019
